PARKER BULKLEY McCULLOCH

A PLAIN STATEMENT OF THE FACTS, ALL-
IMPORTANT NOW.

Why Ohio Negroes Should Vote for U. S. Senator
Roscoe C. McCulloch—The Race's Interests
Absolutely Demand It.

The American Federation of Labor will issue charters for the organization of "Negro" unions, but will not compel its local unions to accept "Negro" members. An illustration of the harm this does the "Negro" is illustrated at this time in the city of Cleveland, Ohio, where the cooks, waiters and waitresses union is struggling to oust several hundred "Negro" hotel employees who are holding positions lost some months ago by members of the

that he is far from being the enemy of the race that our N. A. A. C. P. Socialist officials, the A. F. of L., and the Democrats would have us believe.

U. S. Senator Roscoe C. McCulloch of Canton, who is the Ohio Republican candidate for the U. S. Senate, has a record, as a member of the Congress prior to his elevation to the Senate, for real friendship for our people which our oldest and best residents of Canton, like George P. Titus, one of the leading "Negroes" in the state of Ohio, willingly, freely and frankly attest. The Senator voted for the confirmation of Judge John J. Parker, because the President of the United States wanted him to do so. Postmaster General Walter Brown, the Hoover administration's Ohio leader, and Gov. Myers Y. Cooper, the state Republican leader who appointed the Senator to succeed U. S. Senator Theodore E. Burton (deceased), also urged Senator McCulloch to vote for the confirmation of Judge Parker. There was nothing else for him to do, if he desired election to the U. S. Senate, Nov. 4, 1930.

ROS COE C. McCULLOCH

Ex-Congressman Robert J. Bulkley, the Ohio Democratic candidate for U. S. Senator, if elected, would have to function with the other Democratic members of that august body (whether he wanted to do so or not) on all important matters. This has been the rule ever since the close of the war of the rebellion. And just who are the Democratic leaders of the U. S. Senate? The "Negroes" bitterly remember the "Tom-Tom" Hellin of Alabama, Pat Harrison of Mississippi, Cole Blease of South Carolina, Joe Robinson of Arkansas and others of their vicious kind, as far as the "Negro" is concerned. Southern Democracy controls national Democracy and always has because it is the majority factor of national Democracy, and controls all of the southern states. Every "Negro" in Ohio, and the country, knows what that means to the privileges, rights and all else of our people in that section of the country. Should any important measure arise in the U. S. Senate, especially one having to do with rights, with the Republicans arrayed on one side and the Democrats on the other, where would Mr. Bulkley, the Democrat, and where would Mr. McCulloch, the Republican, be? Does this not show the importance of the re-election and the retention in that august body of Roscoe C. McCulloch? If he is defeated, then the Republicans of the Senate lose a vote and "Negroes" lose that assistance from the one party of the two to which we would look for assistance, if an occasion such as indicated should arise.

In conclusion, the question naturally arises, did Senator McCulloch, from a racial viewpoint, commit such a crime (?) when he voted for Judge Parker as the N. A. A. C. P.'s Socialist officials would have our people of Ohio and the country believe? Ten years ago the Judge is alleged to have made a most unfortunate statement, as far as the "Negro" is concerned. Ten months ago he voluntarily voted for and handed down a decision, a very important decision, in the Richmond (Va.) segregation case, which must be taken into consideration in reaching a conclusion as to whether, or not, we Ohio members of the race should vote for Senator McCulloch on Nov. 4, 1930. His defeat would mean the loss of one Republican vote in the U. S. Senate. The election of Bulkley would mean the gain of two votes to the Democratic membership of that august body in that the Republicans of the Senate would lose one and the Democrats would gain one.

In the light of the foregoing, we cannot for the life of us see the wisdom of any Ohio "Negro" casting a vote for Mr. Bulkley, the Democratic candidate for the U. S. Senate, and thus failing to vote for Roscoe C. McCulloch, the Ohio Republican candidate.

MYERS Y. COOPER

AS GOVERNOR OF OHIO
LEADS ALL IN AFRO-
AMERICAN APPOINT-
MENTS.

In Less Than Two Years Seventy-
Five Have Been Made—Guy-
der and Gilbert, Members
of the Race, Address Our
People of Ohio.

Columbus, O., Oct. 29, 1930.
Editor Gazette, Dear Friend:—
The following is of interest in this campaign for the re-election of Hon. Myers Y. Cooper as Governor of Ohio, in proving his attitude of fair play toward our people. I have reference to the published statement "To the Colored Voters of Ohio," signed by Major Gilbert and myself, which follows this letter.

Gov. Myers Y. Cooper.

Groups of our men are being used in Lucas, Madison, Miami, Lawrence, Scioto and Lawrence counties, and many other counties are arranging for similar action.

In Jackson county, C. D. Gilmore, a contractor, a member of the race, has the largest and best contracts, and hires only our men.

No other administration can show the interest in the welfare of Afro-American workmen. Education is a favorite subject with Gov. Myers Y. Cooper, and Wilberforce, the state's great educational institution for our boys and girls, is being advanced to the status of a fully accredited college. The increase in appropriations for teachers from \$175,960 in 1923 to \$280,020 in 1929, speaks for itself. Re-elect Myers Y. Cooper as Governor and give our boys and girls increased opportunity for education.

Bart J. Guyder,
Steubenville, O.

We Have 75 Appointments.

Columbus, O., Sept. 1, '30.
To the Colored Voters of Ohio:—
The undersigned wish to place before you reliable information in regard to the attitude of the administration of Governor Myers Y. Cooper toward the employment of members of the colored race. We find from the State payrolls of August, 1928, under the Democratic administration, that there were thirty-two colored employees working for the state. Today there are 75 colored State employees. In addition there were two outstanding appointments made in the Welfare Department in recent weeks, Messrs. Emmett Phillips of Columbus and Sam V. Perry of Cleveland. This does not include the scores of colored employees of the state-maintained schools and colleges nor the various institutions under the care of the Welfare Department.

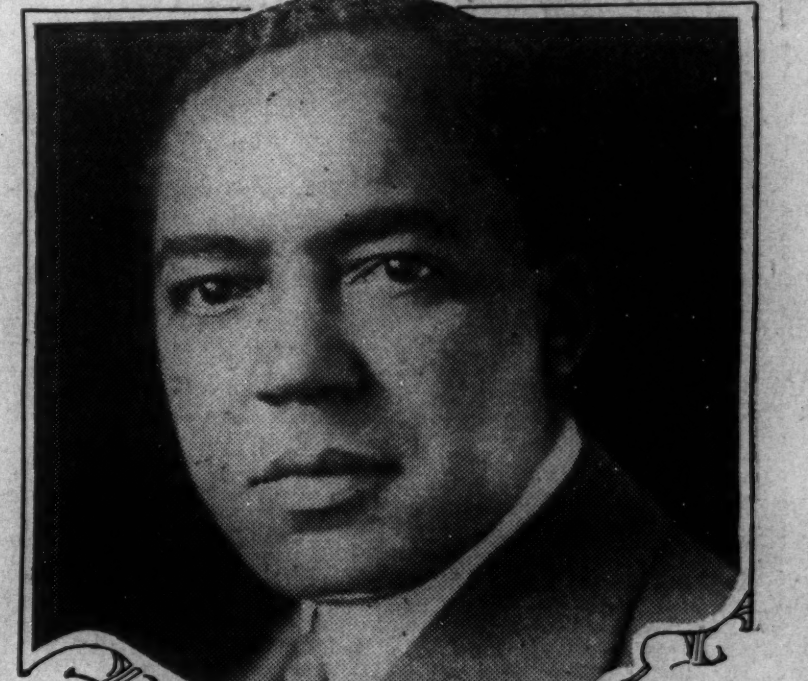

The outstanding appointments were Dr. E. W. B. Curry in the Welfare Department, a position never before held by a colored man and of Howard P. Greer of Cincinnati as special investigator in the Industrial Relations Department, another position never before filled by a colored man. The Board of Film Censors. Special provision has been made in several counties for colored men to work on the Highway. During the administration of Governor Cooper members of the colored race have been given more responsible positions than ever before and they have performed their duties in such a manner as to win public approval.

Respectfully,
Bart J. Guyder,
Steubenville.
Major Howard C. Gilbert,
Columbus.

ATTORNEY JOHN E. ROUNDTREE

Appointed a Special U. S. Attorney on the Recommendation of Senator Roscoe C. McCulloch—
A Cleveland Appointed a
Deputy U. S. Marshal

Senator Roscoe C. McCulloch of Ohio appoints Atty. John E. Roundtree of Cleveland, O., special U. S. attorney, Department of Justice, narcotic division, for the northern district of Ohio. Salary, \$3,000, and six dollars a day and railroad expenses while on duty outside of the city.

Attorney Roundtree has been engaged in the practice of law, sixteen years, and is one of our outstanding lawyers of Ohio, with a record in Cleveland second to none, and has frequently been asked to enter the race for Judge. He received his early education in Kansas, holds the degree of bachelor of laws from Howard University and the degree

of master of laws from John Marshall School of Law. He has defended 46 first-degree murder cases, and has lost none to the chair. The appointment of Attorney Roundtree to such a high position speaks the attitude of Senator McCulloch towards our group, and is due largely to the unceasing efforts of Roscoe C. Ailer, the pastor of Zion Hill Baptist church who is constantly seeking representation for his people.

Some months ago, on the recommendation of Senator McCulloch, a member of the race also a resident of this city, was appointed a deputy U. S. marshal for this, the Cleveland district, headquarters in the Post Office building, Cleveland, O.

In addition to the costly decorations, Mr. French went, recently, to Hagerstown, Maryland, and placed an order with the M. P. Moller Organ Company, the largest organ builders in the country, for an "Artist." This instrument is the last word in organ-making. It plays with or without the presence of an organist. The best records made by the world's famous artists are played on the "Artist" and there is a selection of several hundred such recordings adapted for all occasions. The "Artist" converts more often the impression of a symphony orchestra than that of an organ. It has been adopted lately by the high-class funeral parlors of the country. Those who realize the importance of good music during funeral services will congratulate Mr. French on his initiative in introducing such a valuable instrument in his chapel. Indeed, he is the first of our undertakers to install a pipe organ for funeral services in Ohio. His chapel in his new place of business will seat 225, contains a reposing room for the deceased, etc.

Mr. French is about the youngest 33-degree Mason on record. An announcement of the formal opening of his new and elaborate funeral parlour will be made at an early date.

Again thanking you for your interest, I beg to remain,
Cordially yours,
Myers Y. Cooper.

VOTE FOR JUDGE BELL.

Judge Oscar C. Bell is well-known in Cleveland having served as coach of athletics and teacher of civics, mathematics and business law at East and West Tech High schools, as chief examiner of the Civil Service Commission, as chief police prosecutor and as assistant director of law of the city of Cleveland. Judge Bell is a candidate for Common Pleas Judge, for the term expiring Feb. 8, 1937. There are only two candidates for this term—one to be elected. We strongly recommend Judge Oscar C. Bell for your support and urge you and your friends to vote for him on Tuesday, Nov. 4th.

SATURDAY, NOVEMBER 1, 1930.

Our people must not fail to vote for Judge Alvin J. Pearson. No better judge sits on the common pleas bench of this county and state than our judge of the court of domestic relations, Judge Pearson.

Local labor organizations, running true to form last week, refused to endorse the candidacy for re-election of the Hon. Perry B. Jackson, our only member of the Ohio Legislature. These are the people with whom the N. A. A. C. P. officials are linked in their fight on U. S. Senator Roscoe C. McCulloch.

Thos. W. Fleming's motion for a new trial is to be heard in a few days by Judge Silbert, presiding in criminal court. The former councilman left for Columbus, Monday. Do not vote for County Prosecutor Ray T. Miller, who was not satisfied with prosecuting Fleming but persecuted him by bringing about his incarceration in the county jail, last week, before the receipt of the official mandate from the U. S. Supreme court. This was really an illegal action upon the part of Miller and absolutely unnecessary because Fleming was at liberty on bond. No one blamed Miller "for prosecuting Tom" because that was his duty as prosecutor, but we all do blame him for persecuting the former Councilman, last week, as evidenced in the undue haste he exhibited and exercised in bringing about Fleming's illegal incarceration in the county jail.

RE-ELECT JACKSON.

Re-election of Representative Perry B. Jackson is urged upon our voters of Cuyahoga county by leaders of civic, political and religious life of the community. Jackson, who is finishing his first term in the lower house of the legislature, has received endorsements in addition to those of the Republican organization and ward leaders, by the Cuyahoga Citizens Committee, the Citizens League, Cleveland Press, "The Old Reliable" Gazette and the Cleveland Plain Dealer. Our voters, especially, are reminded that every vote counts and that Mr. Jackson is going to need every one he can get on Tuesday next. So speak to all your friends of both groups or races, you can, for him between now and Tuesday, election day. Racial interests demand his return, as a member of the lower house of the State Assembly.

McCULLOCH-BULKLEY.

The Hon. Robert J. Bulkley of this city, Democratic candidate for U. S. Senator, was in Congress for a number of years. We do not recall his ever securing any appointments for our people or doing anything of importance for them. When a list of questions of exceptional importance to the race were submitted to him for answers, several weeks ago, by Mr. Walter White, acting secretary of the N. A. A. C. P., he gave direct answers to but a few, ambiguous replies to several and "side-stepped" the others. Mr. Bulkley is a fine man personally, but a Democrat and as such not in a position, because of his party-connection, to do the things for our people most needed, while a member of the U. S. Congress, House or Senate. This our people all know and might just as well recognize and face squarely now as they would have to do, whether they wanted to or not, were he elected a member of the U. S. Senate.

Just the opposite is true of Senator Roscoe C. McCulloch. In spite of all that has been said against him, by the Socialist officials of the N. A. A. C. P. and the prejudiced (as far as their local unions are concerned) A. F. of L., a careful reading of the editor's article, on page one of this paper, will convince any loyal member of the race of the

truthfulness of this statement, after giving thought to all things to be considered in connection therewith. Therefore, we feel it our duty to call upon our voters of the state of Ohio to go to the polls on Tuesday next and do their clear and full duty to the race by casting their votes for Senator Roscoe C. McCulloch. Do not listen to those persons of any race or group who are striving to coerce you into voting for Mr. Bulkley and thus helping to increase by one vote the Democratic membership of the U. S. Senate which is led by the bitterest enemies of the race, namely: U. S. Senators Joe Robinson of Arkansas, Cole Blease of South Carolina, Tom Heflin of Alabama and Pat Harrison of Mississippi. Be loyal to our people!

COPLAND FOR STATE SENATOR.

Among the various candidates for state senator, we know of no one who is more able or capable than Atty. David Copland. One of our leading lawyers, he has earned the respect of the bench and bar of Cuyahoga County. He has always taken an active interest in the social, economic and political problems of our county and state and, if elected, will bring to that body an intelligent understanding of the many important matters that will come before the next session of the General Assembly. Mr. Copland will be a tower of strength to the Cuyahoga County delegation in the next legislature. The Gazette unhesitatingly endorses him for one of our state senators and asks its readers to remember to vote for him on Tuesday next.

ALL MUST VOTE FOR JERRY!

Jerry R. Zmunt, the ablest County Commissioner Cuyahoga County has ever had, is seeking re-election on his record in public office, particularly his achievements in the office of County Commissioner where he has served so exceptionally well for nine years. He has full knowledge of the county's requirements, the complicated legislative procedure, financing and budget methods.

As an active representative of the people, Jerry Zmunt has been primarily responsible for developing progressive, efficient and impartial policies in the conduct of county affairs. The latter is proved by his stand, several months ago, against the annexation of a section of Miles Heights to the City of Cleveland which would have left our people out there alone.

His appreciation of human values and understanding of the county's health and welfare problems, together with his intimate knowledge of the laws governing the operation and management of the many welfare activities under control of the County Commissioners, make him an invaluable public servant, and this alone should be sufficient to guarantee his triumphant re-election, Nov. 4, '30.

In addition to this, Jerry Zmunt has always been a sterling friend of our people, and pledges himself to continue impartial, honest, fearless and efficient management of the business of Cuyahoga County, as a member of the Board of County Commissioners.

Vote for Jerry R. Zmunt, our friend!

THE DEMOCRATIC TAIL.

Southern Democracy controls national Democracy, being "the head and body of the Democratic animal" while northern Democracy is but the tail. And every one knows that the tail never wags the head and body. This explains why all northern Democrats elected to the Congress and the electoral college have to obey the Democratic control which is made up in its entirety by southern Democrats. Northern Democrats who have been sent to the Congress have always had to bow to this control and will always have to do so. And this will include so fine an outstanding gentleman as Ex-Congressman Robert J. Bulkley of this city, the Ohio Democratic candidate for U. S. Senator. And it is this very thing that will prevent thousands of Afro-Americans throughout Cleveland and Cuyahoga county from casting their votes for him. If Mr. Bulkley were a member of the U. S. Senate, and any of our rights were at stake with the Democrats arrayed on one side and the Republicans on the other, Mr. Bulkley would be compelled to line up with the southern Democrats, leaders of his party. This has always been true in the past, and it is just as true today as it will surely be in the future regardless of his and all other protestations to the contrary. In all the history of the country since the close of the war of the rebellion, no one has ever seen or heard of "right northern Democrats elected and sent to Washington," and never will, as far as we are concerned, as long as southern Democracy dominates the national Democratic party as it has done ever since the Civil War.

From an Old Cleveland.

Macon, Ga., Oct. 23, 1930
Hon. Harry C. Smith,
Editor Gazette, Cleveland, O.
Dear Mr. Smith:—With the times as hard as they are, the party, which has been in power so long, surely cannot mean to sell out to southern Democrats.
(Mrs.) Arla Sellers.

JUDGE DAVID C. MECK

Seeks Election to Common Pleas Bench on His Excellent Record as a Judge of the Municipal Court.

Judge David C. Meck seeks election, on Nov. 4th, to the common pleas bench on his record as a judge of the municipal court of Cleveland. His educational background is such that he is particularly well qualified to handle the varied types of important litigation pending before common pleas court. He was graduated

Judge David C. Meck.

with a bachelor of arts degree from Ohio Northern University in 1887, and with a like degree from Ohio Wesleyan University, as an instructor in mathematics and as head of its school of business. In 1902, he was elected to the chair of pedagogy and mathematics in Ohio Northern University, from which position he was called to the Cleveland public schools. In 1913, he was graduated from Baldwin-Wallace University with the degree of bachelor of laws, and was admitted to the Ohio bar, the same year. Three years later, he was the guiding spirit in the organization of The John Marshall School of Law, and has retained his fervor for legal education by acting as dean of the school to the present time. From the date of his admission to the bar, he has devoted a great deal of his time to teaching law, and some seven hundred students have been prepared for the legal profession under his supervision. In recognition of his able leadership in the Law, Ohio Northern University has conferred upon him the honorary degree of doctor of laws.

In further recognition of his judicial capacity, the Governor of Ohio appointed him to fill a vacancy in the municipal court of Cleveland in December of 1924; and after only eleven months of service, he was elected to serve out the unexpired term. The following year with the support of The Cleveland Bar Association, the Citizens League, and numerous other civic organizations, he was elected to a full six-year term in the municipal court. At the coming November election he is expected to be elevated to the common pleas court of Cuyahoga county, in view of his clean record of fearlessness, independence, and judicial capacity.

Judge Meck's friendship for the race is well-known throughout the city. Vote for him on Nov. 4th.

MAKE NICOLA JUDGE!

The Gazette wishes to particularly call attention to the candidacy of Atty. B. D. Nicola, candidate for judge of the court of common pleas, which it heartily endorses. We believe Mr. Nicola to be especially well-fitted for this office, having been a practicing attorney in all our courts for the past 28 years. After graduating from Ohio State University in 1900 he spent some time at his home in Tascaraus County, Ohio, coming to Cleveland in 1904. During this time, he has won the confidence and respect of the bench and bar of Cuyahoga county alike as is evidenced in the report of The Cleveland Bar Association committee on judicial candidates, which says:

"He has the training, ability, temperament, experience and professional standing to make a capable judge."

The Citizens League, a non-partisan organization in our city which makes a thorough investigation of candidates, also endorses Mr. Nicola in very high terms. "He is an attorney of excellent character, high ideals, and broad legal experience. In our opinion he is well qualified for judicial service and would make an especially able judge. PREFERRED."

Other endorsements already received by Mr. Nicola, include besides those of various clubs and organizations, those of The Cleveland Press and The Cleveland Plain Dealer. The Press concurs in its editorials with the finding of the Bar Association and says that he is fully qualified to serve, while The Plain Dealer says:

"Voters will find Nicola worthy of support for judge."

We feel that Mr. Nicola's practice among all the peoples of this cosmopolitan city particularly fits him for this high office. He has never held public office before and entered this campaign upon the request of his friends that he do so. He is a member of the City Club, the Chamber of Commerce, The Big Ten Club, The Ansonia Club, The Aurelius Club, and other organizations. He is also a member of both Bar Associations and is serving as a member of the executive committee of The Cleveland Bar Association. The Gazette feels he is the type of man we need on our common pleas bench and urges the support of his candidacy by you and your friends. The unanimous opinion of our citizens is that B. D. Nicola is worthy of our hearty support.

RE-ELECT JUDGE PHILLIPS.

Judge Frank C. Phillips has served the people of Cuyahoga County faithfully and efficiently for many years. Fifteen years ago, he was elected to the municipal court bench. He revolutionized the police court. He allowed no one to talk to him except in open court. He locked his private office and threw away the key. His house phone was disconnected at night. He was the first judge to impose workhouse sentences for auto law violators. He made the police court a power for good. He has been on the common pleas bench for the last twelve years. In all these many years of service no word of complaint has been heard against him. No judge has been more fearless, more courage-

ous, more fair-minded. The voters have confidence in Judge Phillips. They have always returned him to office with a tremendous vote. He has served you well. He deserves your hearty support now. Vote for him!

Champion Al. Brown in a "Draw."
Barcelona, Spain.—Fighting before one of the largest audiences ever gathered together in Spain for a boxing event, Al. Brown, Pan-American fighter, battled to a draw, Oct. 22, in a 10-round bout, Joe Glones, European featherweight champion. The 25,000 spectators cheered the decision.

Smith Wins Over "Gorilla."
New York City.—Harry Smith, middleweight champion of Harlem, received the decision over "Gorilla" Jones of Akron, O., in the ten-round feature bout at the Olympia A. C. Oct. 23. It was, however, the opinion of ringside critics that Jones was entitled to the verdict. The battle was a return engagement, Jones and Smith having met last month in the Queensboro Stadium, where the referee stopped the contest when he decided that they were not putting forth their best efforts. This time, however, both men fought hard and kept the crowd on edge during mix-ups in midring. Smith weighed 160; Jones 156.

Coronation Gifts.
Ras Tafari, about to be crowned emperor of Abyssinia, is still receiving compliments, accompanied by gifts from other rulers. King George sends a coronation cake, weighing almost 2,000 pounds. President Hoover sends his photograph, with his name written on it. President Hindenburg of Germany also sends an autographed photograph, plus 500 bottles of the finest Rhine wines. France sends an airplane, built with special care.

No Afro-American is a member of the "illy-white" Metropolitan Park board tax levy committee. Then we should all vote against it. Here is one chance to make them take us into consideration in the future.

RE-ELECT ROBERT CROSSER
Candidate for Re-Election to Congress in the 21st District—His Interesting Career to Date.

Robert Crosser attended the public schools of Salineville, O., and in 1893 graduated from its high school. In September, 1893, he entered Kenyon College, graduating in 1897 with the degree A. B. He earned his way thru college by doing janitor work and conducting a laundry agency. During part of the school year, 1897-1898, he attended the law school of Columbia University, N. Y. City. From March to October, 1898, he worked for the Pittsburgh Dispatch to earn money to continue his studies. In October, 1898, Mr. Crosser entered Cincinnati Law School with the degree of LL.B. In order to earn money to pay his way thru the school, he worked as its assistant librarian. After graduation, he came to Cleveland in Sept., 1901, and entered upon the practice of law. He has resided here for twenty-seven years. In his college and university work, Mr. Crosser aimed constantly at a perfect understanding of his subjects in order to best understand life. In his political work, he has adopted the same method. His first concern about any political problem is to know the sound principle to be applied for the common good. Therefore, it was natural and characteristic of Mr. Crosser, not to join a political party because his forefathers may or may not have belonged to that party. Consequently, while still a boy in college, during the memorable presidential campaign of 1896, after the intense study of the issues, and an investigation of the candidates, he supported the Democratic cause because he agreed with that party in its opposition to monopoly and trusts. He was opposed to government by injunction and sympathized with the party's stand for the improvement of the condition of the people. Mr. Crosser has also given much study to the science of political economy, and holds very definite views on that subject. He contends that everyone should receive for his labor, whether mental or manual, the full value which such labor contributes to production, and believes that the law should assure all men equal opportunity. He insists earnestly that when all men enjoy equal opportunity under the law, then poverty and the fear of poverty will vanish and mankind will become what was intended, a brotherhood indeed, in which generosity and love toward one another will be the rule and selfishness will diminish. So-called issues may come and go, but this object must be the aim of all true men.

RE-ELECT GILBERT BETTMAN
Attorney-General of Ohio—A Conscientious, Capable and Successful Official.

Attorney-General Gilbert Bettman is seeking re-election for a second term. In the two years he has served the state of Ohio, his record of accomplishments and achievements has impressed itself upon the people of Ohio of all political faiths. Mr. Bettman has a large and lucrative private law practice to enter the public service which he loves and honors. Due to his keen legal talent, he has had tremendous success in winning cases for the state. His service has meant a savings of millions of dollars to the people of Ohio. Mr. Bettman is an idealist who makes a practical application of the duties and obligations of citizenship in this country. He firmly believes that men successful in private business should offer the benefit of their wide knowledge and experience to the service of the state, and citizenship carries with it an obligation upon the part of both rich and poor to participate actively in the affairs of government. In the practical application of that creed, he has rendered the best service that any Attorney-General of Ohio has ever given the state. He merits re-election on his record in office and should be supported on Nov. 4, '30, by every loyal and conscientious citizen of the state. You will find Mr. Bettman's name on the Republican ballot.

REMEMBER SELZER!
Robert J. Selzer, able and progressive attorney, is making an aggressive fight for election as Judge of the Common Pleas court. Graduated at an early age from law university, he has practiced here for seventeen years with success. His recent most notable work has been his great battle to prevent the Rapid Transit lines from largely raising their fares. Honorable and unprejudiced, our voters will make no mistake in voting for Robert Selzer. He completed a seven year course at the University of Michigan, graduating in 1913; has been active in civic and political circles, and has been endorsed for the judiciary by the Myron T. Herrick Republican club of East Cleveland and the Republican ward leaders of that city in company with Judges Alva R. Corlett, Frank C. Phillips and Atty. Frank G. Carpenter. Vote for Selzer!

FOSTER FOR REPRESENTATIVE.
Atty. Jas. C. Foster, candidate for state representative on the Republican ticket, is a sterling friend of our group who should receive a rousing vote. A product of local schools, he graduated from Ohio Northern University and has practiced for years at the local bar with great success. Mr. Foster is a Republican orator of ability and for many years has been a strong supporter of Wilberforce University.

CHILDREN CRY FOR IT—

CHILDREN hate to take medicine as a rule, but every child loves the taste of Castoria. This pure vegetable preparation is just as good as it tastes; just as bland and just as harmless as the recipe reads.

When Baby's cry warns of colic, a few drops of Castoria has him soothed, asleep again in a jiffy. Nothing is more valuable in diarrhea. When coated tongue or bad breath tell of constipation, use its gentle aid to cleanse and regulate a child's bowels. In colds or children's diseases, you should use it to keep the system from clogging.

Castoria is sold in every drug store; the genuine always bears Chas. H. Fletcher's signature.

JUDGE EWING MUST BE RE-ELECTED.

Eight Common Pleas judges are to be elected on Nov. 4, 1930, five of these to succeed that number of judges now sitting on the bench and to fill the three new judicial positions created by the last Legislature. Among the season jurists now on the bench and seeking re-election is Judge Harrison W. Ewing who originally was appointed to the position to fill an unexpired term of four years and three months, and who in 1926 was elected to succeed himself by the tremendous majority of over 71,000 votes. He is now serving his sixth year as a judge of our Common Pleas court. The judgeship, now occupied by Judge Ewing, differs from all the others because it does not expire until Feb. 8, 1931, while theirs begin, Jan. 1, 1931. That will explain why the contest for this office will be found in a separate place on the judiciary ballot under

gil J. Terrell. Our readers should know that in 1923 the American Judicature Society, at the end of a survey by some of the most important leaders of legal thought in America, said: "The Common Pleas court of Cuyahoga county is the best trial court in the United States." In August of this year it said: "This court maintains its high standards of excellence. It is a model court for all citizens." The official records show that during the past five years the Common Pleas court of this county, tested by the number of cases disposed of per judge, has increased nearly 25%. In this environment of extraordinary efficiency Judge Ewing has proved himself to be an industrious, accurate, conscientious and effective judge. The same court records show that, during the past eighteen months in the civil division which is chiefly concerned with jury trials, the number of cases which he has disposed of has been exceeded by only two members of the court, and that by an inconsiderable margin. In the criminal division, where he presided for the four months of the September term, 1929, the number of cases which he disposed of personally as presiding judge, as well as the number of cases disposed of by the division during his term, are substantially in excess of the number disposed of by any other judge in that division during the past five years. Judge Ewing has been recommended for re-election by the Cleveland Bar Association, the Cuyahoga County Bar Association, the Cleveland Plain Dealer, the Cleveland Press, "The Old Reliable" Gazette and the Citizens League. In its Judicial Bulletin just issued, the League says concerning him: "For five years on the bench, he has demonstrated that he is a painstaking and impartial judge; in our opinion he should be re-elected. PREFERRED!"

As indicated in the foregoing we are more than pleased to add our recommendation and endorsement of Judge Ewing for re-election, principally because he has always indicated a real friendship for our people, always treating our attorneys with whom he came in contact properly, just as he treats all others. The voters of this county cannot afford to lose the services of this outstanding judge who has so well demonstrated his usefulness in the office which he now occupies.

Crusaders Fight 18th Amendment.

Desiring to bring about true temperance the Crusaders' anti-prohibition organization is fighting to bring about the repeal of 18th amendment, which they term a colossal blunder, and they favor the return to the states of the right of liquor control. Enthusiastically received since their advent, their membership has passed 500,000 already and their aim is at least two million more. In Ohio, the "very definite goal of accomplishment for the Crusaders is the election of Robert J. Bulkeley, Democratic candidate for U. S. Senator.

THE BAR ASSOCIATION

Explains Its Endorsement of Candidates Named—Also Endorsed By Two of the Three Local Daily Newspapers.

The Cleveland Bar Association in conducting the campaign for judges to be elected on Nov. 4 has only one object in view and that is to obtain a fearless and untrammeled judiciary under obligation to no one but the citizens who elect them. The judicial candidates recommended by the Association are men who have had many years' experience on the bench and made splendid records as judges. On account of their outstanding ability, their fairness and impartiality the lawyers of The Association, which numbers 1958 members, has placed its stamp of approval on them. The lawyers who come in contact with these judges almost daily have said that they are the best-fitted to serve the people of this community, and these same lawyers have no selfish motive in their action. The lawyers as well as the voters want judges that are honest, able and impartial. The members of The Association who recommended these judges are the same lawyers who handle the legal business of the people, year in and year out. Surely if they are capable of advising them in their legal and business affairs, they should also be capable of advising them as to the qualifications and ability of the candidates the voters are to elect judges. The judges recommended herewith have been endorsed by The Cleveland Press, The Cleveland Plain Dealer and the Citizens League and, with one exception, by The Cuyahoga County Bar Association.

The honesty and integrity of Wm. F. Erick in connection with contracts for public work has never been questioned. He was County Commissioner for seven years, and his record is an open book. He is known as the "father of High Level Bridge" for after the City of Cleveland had voted down three different bond issues for a high level bridge, Mr. Erick established the legal right of the County to build bridges on the State route County roads in the city, which made possible the construction of the Detroit-Superior High Level Bridge. He is also a member of the commission supervising the construction of the new Criminal Court and Jail Building being constructed on E. 21st St. and will be ready before the end of the year. BENDER STRONG CANDIDATE.

State Senator George H. Bender, Republican candidate for Congress from the 21st district, was born in Cleveland, thirty-four years ago. Educated here, he has had a varied experience in journalism and business with the Plain Dealer and Cleveland News, and served in executive capacities with the Bailey and Bedell Companies. Elected ten years ago at the youngest man to ever sit in the state senate, he has made a great reputation for ability and putting thru constructive measures. Last year he was made chairman of the Cuyahoga Republican delegation in the State Assembly.

Mr. Bender is undoubtedly best known and most popularly known as the sworn foe of the Anti-Saloon league. His greatest victory was the overwhelming majority against the Marshall bill in the referendum of which he was the chief proponent. He has made a strong and fighting campaign for election to Congress and long has been known for justice and fairness to our groggers. Remember George H. Bender in voting, next Tuesday.

Mr. Stephens has a most excellent reputation, and enjoys the confidence of all who know him. He has for more than twenty years, been rated as a first class trial lawyer and is a lover of justice. His professional career has been spent in aiding and assisting people to solve their troubles of everyday life, and should be elected common pleas judge on Tuesday, Nov. 4, 1930. The editor of The Gazette endorses Mr. Stephens' candidacy because he is capable, experienced, broadminded and friendly to our people. Vote for him!

The Hon. Harry S. Day, Former State Treasurer of Ohio and a Splendid Official—Gave Our People Best Recognition.

In the recent state primary, the Republicans of Ohio very wisely nominated the Hon. Harry S. Day of Fremont, former incumbent of the office. Mr. Day's popularity with the people of the state arises largely because of his splendid conduct of the office and treatment of all with whom he came in contact, in and out of the office. And this means all classes or groups of citizens without respect to race or color. The same good treatment was accorded all. In the case of our people, Mr. Day appointed three of

his fifteen employees. This was one of the Afro-American employees that that office had ever had before and one more than it has had since. This fall, more than ever before in years, the state Republican ticket needs candidates strong with the people—the mass of voters of Ohio—and it is a matter of considerable satisfaction for Republicans generally of the state to know that in Harry S. Day of Fremont they have a candidate that will prove a tower of strength to the Republican ticket on election day in November. It is not necessary. The Gazette feels sure, to remind our voters of the fact that they have a special and particular interest in Mr. Day's success, because it is his purpose to see to it that we are given the same amount of representation in his office force at least, and better if possible. So tell all your friends and acquaintances to not forget that they have a special interest in his success on November 4, 1930. Do your duty! Vote for Harry S. Day!

Sawicki Tries Golden Rule.

Municipal Judge Joseph P. Sawicki is a candidate for the court of common pleas of Cuyahoga county at next Tuesday's election. During his twelve years of service on the bench he has tried to temper justice with mercy, believing most of the offenders thru sensible treatment can be diverted from the path of hardened criminals. He is well liked because his principle of the "Golden Rule" has brought good results in ninety-five per cent of the cases. Recently Judge Sawicki dealt another blow at salary-buying when he dismissed the suit brought against two workmen who had borrowed \$10 each. He told the plaintiff the interest amounted to 240 per cent annually and called his subterfuge a "public nuisance. Our citizens will make no mistake in voting for Judge Sawicki.

Do not vote for any of the Bond issues or tax levy raises, except the one for our schools. **HOUSE-RENT AND TAXES ARE HIGH ENOUGH NOW.** They are asking for the issuance of \$38,000,000 more of bonds to say nothing of the tax levy raises.

A MESSAGE FROM THE
Crusaders
The most urgent necessity before the American people is to correct the ghastly error of National Prohibition by repealing the Eighteenth Amendment. To accomplish this calls for the election of able government and state representatives who have pledged themselves to oppose Volsteadism at every opportunity. Tell your family, your friends, your fellow workers that these men are recommended by The Crusaders, the Cleveland-born association aimed to bring True Temperance into our national life.
